data processing

T-Systems Readiness Check for SAP BW/4HANA®

The Readiness Check for SAP BW/4HANA® analyzes the maturity level of your company's business warehouse system regarding the transformation to SAP BW/4HANA®. With low effort and risk you will get complete transparency which provides you a perfect starting point in order to plan your migration project.

Start your journey to SAP BW/4HANA® with the Readiness Check powered by T-Systems!

What it is

The Readiness Check will support you on your journey to SAP BW/4HANA®:

- The check consists of 4 phases.
- The results and deliverables include: a roadmap, an overall view of necessary migration activities, a rough effort estimation, a sizing recommendation.
- All services will be carried out by 2 experienced SAP consultants from T-Systems.

Your benefits

- **Low risk:** Complete cost transparency due to fixed price package.
- **Low effort:** T-Systems delivers your company's readiness status.
- **Complete transparency:** Clarity about the SAP BW/4HANA® readiness of your systems and an overview of necessary actions.
- **First roadmap:** Basis for further migration project planning and decisions regarding time, staff and costs as well as technologies.
