1SAP Framework

Through a 5-phase workshop framework we work together with you and your team to identify your objectives. We develop and deliver a concrete business case and plan to execute your transformation strategy.

We deliver tangible business value

- Reduce your upfront payment of up to 85%
- Save up to 30% on license and maintenance costs
- Modernize your infrastructure and obtain agility to meet business and customer demands
- Simplify your vendor landscape

Get your SAP Transformation Roadmap in just 6 – 10 weeks.
