

Your Learning -Journey!

Onboarding Week

All together! Get inspired & get to know each other, T-Systems and be ready to start! We support you with everything you need.

Digital Essentials

Starting with the **basics!** We provide you with the big picture of digitization, new technologies and the challenges of our customers.

Digital Electives

Grow in your new role! We provide you with insides in disruptive technologies, innovative methods and give you space to try out new things.

Professional Certification

Leverage your career! Take the next step and get certificates from our Partners like Google, AWS or Microsoft.

Graduation Week

Time to celebrate! In the closing week we will recap your journey, you can demonstrate your new skills in a group challenge and you receive your degree.
