## Your benefits

- Project costs lowered on average by 32%
- Downtimes of your productive SAP system reduced on average by 73%
- Project risk reduced to a minimum

No matter how complex or mature your SAP landscape is and which cloud solution you need: T-Systems, as a certified end-to-end service provider and RISE WITH SAP partner, has the necessary experience and foresight thanks to more than 1,000 SAP transformation projects executed every year. With our market knowledge and the right partners, we're your one-stop shop and can deliver exactly what you need.

Another important aspect: We have the highest level of automation in the market, which means we can carry out most of the project work without your staff or our staff on-site.

Please don't hesitate to contact us if you have any questions. One of our experts will be in touch with you as soon as possible.
